What is Advent anyway?

The Advent Season is a very old Christian tradition that marks the four weeks before Christmas. This time of year, folks from all walks of life have started getting ready for Christmas— at least the commercial kind. It's hard to miss all the noise, lights, and holiday chaos!

But Advent gives us a time-honored, biblically-based way to prepare—to take some much-needed time *before* Christmas to be still for a bit and contemplate the coming of Christ. Could you use a gentle, beautiful evening to get away from the busyness of the world?

Our service lasts about an hour and includes special Advent music and carols, Scripture reading, lovely artwork, and candlelight. It's a very special evening and we'd love to have you.

Come and be our honored guest! Join us on Dec 7 at 6 PM.
